

IMPORTANT ANNOUNCEMENT ABOUT NEW SERVICE 2 DEDWORTH to SLOUGH via WINDSOR

Due to legal reasons, we have been prevented from commencing the full operation of our new Service 2 (Dedworth to Slough) until Monday 12th March. All local bus services in England must be registered with the Traffic Commissioner at least 56 days before the date the service is due to start. In special circumstances, the Traffic Commissioner has the authority to allow the service to start with reduced notice, and as First's service was due to end on 29th January, we requested a start date of 30th January. Regrettably the Traffic Commissioner refused our application to start early and therefore our full service 2 will be delayed to commence on Monday 12th March.

We are frustrated at this decision but must accept it. We recognise that many journey opportunities, particularly for passengers connecting from Datchet and Wraysbury towards Slough cannot be made as conveniently as we had hoped. In the meantime, we have been authorised to run a limited service 2 timetable along the planned route, which will be in place until Sunday 11th March.

Please see Forthcoming Changes for full timetable details.

SERVICE 2

MONDAY TO FRIDAY
